

EMERGENCY & ACUTE CLINICAL RELIEF POLICIES

Apex Health & Medical Center — Clinical Financial Relief Protocol

1. [CLIN-ER-001] Acute Inpatient & Emergency Resuscitation Protocol (ESI-1 & ESI-2)

Category: Medical Emergency & Inpatient Care | Max Coverage: INR 1,50,000 | Currency: INR

Provides direct institutional financial underwriting for patients admitted to the emergency department or intensive care unit with acute life-threatening trauma, respiratory failure, cardiac arrest, or severe sepsis. All emergency triage fees, ICU bed charges, supplemental oxygen therapy, and life-safety procedures are 100% covered up to the maximum allowable limit with zero upfront patient deductible.

Eligibility & Clinical Authorization Criteria:

- Confirmed Emergency Severity Index of ESI-1 (Immediate Resuscitation) or ESI-2 (Emergent High Risk).
- Valid admission discharge summary, itemized emergency room bill, or physician emergency certificate.
- Zero-waitlist instantaneous co-pay authorization via institutional automated claims clearinghouse.

2. [CLIN-RX-002] Vital Maintenance & Specialty Pharmacy Copay Coverage (ESI-2 & ESI-3)

Category: Prescription & Pharmacy Copay | Max Coverage: INR 50,000 | Currency: INR

Guarantees immediate pharmacy copay relief and digital prescription voucher issuance for essential chronic and acute maintenance drugs. Covered medications include insulin analogs, cardiovascular agents, post-chemotherapy antiemetics, high-grade immunosuppressants, and emergency broad-spectrum intravenous antibiotics.

Eligibility & Clinical Authorization Criteria:

- Active physician prescription signed by a registered medical officer (RMO) within 14 days.
- Itemized pharmacy invoice showing GST, batch number, and national drug classification code.
- Immediate digital medical voucher issued redeemable across all Apollo, MedPlus, and hospital network pharmacies.

3. [CLIN-AMB-003] Rapid Ambulance Response & Trauma Transit Assistance (ESI-3)

Category: Medical Emergency & Inpatient Care | Max Coverage: INR 25,000 | Currency: INR

Covers Advanced Life Support (ALS) and Basic Life Support (BLS) inter-facility emergency transfers, paramedical emergency dispatch fees, and oxygen transit expenses for patients requiring urgent hospital stabilization or trauma transfer.

Eligibility & Clinical Authorization Criteria:

- Official ambulance trip sheet indicating patient pickup coordinates and receiving trauma center.
- Validated emergency dispatch timestamp matching the emergency room admission window.
