

MENTAL HEALTH, DIAGNOSTICS & TRAUMA POLICIES

Apex Health & Medical Center — Clinical Financial Relief Protocol

1. [CLIN-MH-001] Psychological First Aid & Acute Crisis Intervention Grant (ESI-1 / Crisis)

Category: Mental Health & Crisis Intervention | Max Coverage: INR 75,000 | Currency: INR

Full institutional subsidy for emergency psychiatric admissions, suicide crisis intervention, tele-counseling support sessions, and psychological first aid (PFA). Ensures immediate confidential access to certified clinical psychologists, psychiatric pharmacotherapy, and crisis stabilization beds without bureaucratic delays.

Eligibility & Clinical Authorization Criteria:

- Assessment of acute distress or referral from Tele-MANAS, National Suicide Helpline, or campus counselor.
- Includes up to 12 fully sponsored psychotherapy sessions and crisis psychiatric evaluation.
- Strict HIPAA and clinical confidentiality protections applied to all patient counseling logs.

2. [CLIN-DX-002] Advanced Diagnostic Imaging & Urgent Biomarker Relief (ESI-2 & ESI-3)

Category: Diagnostic, Lab & Imaging Relief | Max Coverage: INR 60,000 | Currency: INR

Covers essential diagnostic imaging and high-complexity laboratory investigations required for emergency clinical diagnosis, including 3T MRI, 128-slice CT angiography, ultrasonography, PET scans, troponin-I cardiac biomarkers, and comprehensive oncology blood panels.

Eligibility & Clinical Authorization Criteria:

- Clinical requisition form completed by attending consultant or ER duty physician.
- Diagnostic center receipt with NABL accreditation certificate and QR verification code.
- Direct reimbursement disbursed within 6 hours of verified radiologist diagnostic report upload.

3. [CLIN-REHAB-003] Dental Trauma & Post-Operative Physical Rehabilitation (Routine / ESI-3)

Category: Physical Therapy & Dental Crisis | Max Coverage: INR 40,000 | Currency: INR

Financial aid for emergency maxillofacial dental surgery, traumatic tooth avulsion replantation, post-surgical physiotherapy, wheelchair mobility aids, and orthotic rehabilitation for acute musculoskeletal injuries.

Eligibility & Clinical Authorization Criteria:

- Pre-and-post procedure clinical dental photographs or radiographic verification.
- Licensed physiotherapist or dental surgeon itemized bill and treatment plan.
