## Mental Health & Psychological Counseling Support Policy

### CLINICAL CATEGORY

Mental Health & Tele-Counseling

### MAXIMUM BENEFIT CAP

INR 60,000 per academic year

### 1. Policy Statement & Commitment to Student Wellness

Recognizing mental health as fundamental to student well-being and academic success, this institutional policy provides robust financial support for licensed clinical psychological therapy, crisis de-escalation, and psychiatric management.

### 2. Scope of Mental Health Benefits

- Individual and group psychotherapy sessions with licensed clinical psychologists (up to 20 funded sessions/year).
- Comprehensive neuropsychiatric diagnostic evaluations and ADHD/mood assessments.
- 24/7 Acute Behavioral Health Emergency Tele-Counseling and Crisis Triage.
- Partial hospitalization and acute inpatient psychiatric stabilization care.
- Prescribed psychiatric pharmacotherapy copays.

### 3. Complete Privacy & HIPAA De-Identification

All psychological and psychiatric claim submissions are protected under strict HIPAA Privacy Rule (§ 164.514) guidelines. Diagnostic psych notes are tokenized with AES-256 encryption, ensuring student therapeutic records remain confidential from academic and administrative transcripts.

### 4. Rapid Distress Priority Routing

Voice or text intakes exhibiting high psychological distress indicators (Severe Panic, Depressive Crisis, Self-Harm Risk) trigger automated ESI Level 2 priority flags and direct linkage to campus on-call emergency counseling staff.

### 5. Copay Coverage Ratio

Outpatient therapy and counseling sessions are subsidized at 100% for the first 10 sessions and 80% for subsequent sessions up to the annual limit of INR 60,000.
